General

9. Subject to space availability and the priorities set out in this policy, BYSC will make best efforts to provide previous renters in good standing with the same or substantially similar number of hours and time slots the renter rented during the previous season. If some or all of the time slots previously enjoyed by the renter are unavailable for the Fall and/or Winter seasons, then requests for dome time will be prioritized based on the number of hours the renter rented during the previous season, as well as the number of years the renter has rented space from BYSC.

10. Rental requests from new renters will be assessed on a first-come, first-served basis.

11. BYSC may exercise its discretion to prioritize new renters who will utilize the dome for youth programs or for traditionally disadvantaged groups.

12. While BYSC will generally follow the above allocation priorities, the BYSC retains sole discretion to refuse to rent available space for any lawful reason to new renters.

13. Renters who are offered dome space will be provided with a deadline (minimum 7 days) by which they must submit a completed Rental Agreement and pay a deposit of 25% to secure the requested time for the Fall/Winter season.

14. BYSC cannot guarantee that renters will receive the same number of hours or the same time slots they rented during a previous season.
