SECTION 3 - PROCEDURES				
PROCEDURES	Providing Goods and Services to People with Disabilities			
	The Club is committed to treating all people in a way that allows them to maintain their dignity and independence while having opportunities equal to others, to obtain, use an benefit from the Clubs goods and services.			
	Assistive Devices			
	The Club will ensure that staff are trained and familiar with various assistive devices that ar available for use by people with disabilities while on the Club's premises accessing the good and services of the Club.			
	Communication			
	The Club will communicate with persons with disabilities in ways that take into consideration their disability and that preserves their independence and dignity.			
	Service Animals			
	A person with disabilities may be accompanied by a guide dog or other service animal whe on the Club's premises. The Club reserves the right to request that the person with a disabilit provide documentation from a regulated health professional where it cannot easily identif that the animal is a service animal. In the event that service animals are excluded by law from the premises, the Club will provide other resources or supports to enable the person with disabilities to access the services and goods offered by the Club.			
	Support Persons			
	Person with disabilities may enter Club premises with a support person and have access t the support person while on the premises. The Club does not charge fees for support persons or if fees are charged for attending the event/activity or service, the Club shall provide notic of the fee amount in advance.			
	The Club may require persons with disabilities to be accompanied by a support person whe on the premises, but only if a support person is necessary to protect the health and safety of the person with disabilities or the health or safety of others on the premises. Before requiring the person with a disability to be accompanied by a support person, the Club will:			
	• consult with the person with a disability to understand their needs;			
	• consider health or safety reasons based on available evidence; and			
	• determine if there is no other reasonable way to protect the health or safety of th person or others on the premises.
