

Frequently Asked Questions

BSL Men's Adult League

When does the season start and what happens if it is further pushed back?

At present, the season is scheduled to start on Friday, July 9th. Should we have to start later than July 9th and be unable to complete the season before end of October, the club will refund/credit for each week that is missed.

What happens if the season is cancelled altogether?

Unfortunately, should we cancel the season, all participants will receive a refund. Please know that we will do all we can to ensure this does not occur.

What happens if a game is cancelled due to inclement weather?

Due to time constraints from the delay in season start, we will try our best to reschedule the cancelled games. Rescheduled games will most likely be on midweek evenings or weekends and all updates will be made in your calendar and an email notification will be sent.

How many games are included in the BSL Men's Adult League?

The season is scheduled for 14 weeks and will run through to the middle/end of October.

Will games be played on long-weekends (ie. August Civic, September Labour Day, & October Thanksgiving)?

As a result of the later start date for the league, we will have games on the long weekends. We encourage all members to check their calendar each week to confirm dates, kick-off, and location.

What are the payment details for my team?

The total cost per team is \$4,300. This will be collected via a \$300 deposit to secure your teams spot in the league prior to June 11th; the remaining balance (\$4,000) will be collected on July 1 (50%) & July 15 (50%).

How many players are allowed on a roster? What happens if we exceed this number?

The total number of participants on a roster are 25 players. Any additional player added will result in a \$50 charge. Roster Additions can be made up to week 6 of season.

Does my team fee include a jersey?

No, the team fee does not include a jersey. All teams are to supply their own jerseys for the season.

Can I register as an individual and play with a friend?

No, you are unable to register as an individual in the BSL league. We ask that those who are interested in participating in the league complete the registration process and select *BSL Adult Outdoor player WAITLIST* ([linked here](#)). Team managers will have access to this list should they need players to supplement their rosters.

Are Spectators allowed at my game?

At this time, spectators will not be welcome at the adult games. Should this change, we will be sure to advise you.

Are there any adjustments to the laws of the game (rules) for this modified outdoor season?

Rules for the league will be updated closer to the season. Any and all modifications to the rules will be based on OS rules and procedures ([found here](#)).
