The Burlington Soccer Club (BSC) is a non-profit organization that strives to maintain the lowest possible registration fees while ensuring that our members receive the highest level of soccer programming possible. To achieve this, the support of sponsors is one of the key factors that has contributed to the successes of the Club.

Continuously welcoming new sponsorship opportunities with local and corporate businesses and organizations, the Club offers many great sponsorship opportunities within the house league and competitive divisions and teams, facilities, programs, tournaments, events and more with the objectives being twofold:

- To keep the cost of playing soccer within the City of Burlington at an affordable level so that youth and adults in the community have the opportunity to enjoy and participate in soccer programs;
- To help promote and prosper local and corporate businesses and organizations through brand exposure to BSC members and the Burlington community.
