Five Bayhawks from our 2008 Ontario Player Development League (OPDL) Teams are headed to Vancouver to attend the Vancouver Whitecaps FC National Youth Combine.

Emma, Evelyn, Adam, Noah, and Zayn have been consistent top performers in their programs. The result of their continued progress has led to both an invite to the Ontario Soccer Provincial Screening and also the Vancouver Whitecaps FC National Youth Combine.

Each year, players from across the country are selected to attend the Whitecaps FC Academy Centre Combine. This event brings together 400 players, representing 8 provinces, and a multitude of USports and NCAA coaches to scout players for their programs. This four-day event puts the players through training sessions, matches, workshops, and technical reviews, while staying at a hotel close to the training facility.

These players recognize the impact this opportunity will have on their development. Members of our Boys U15 OPDL Squad spoke to this directly. Zayn is “grateful to compete with the best in the country”, whereas Adam and Noah both look forward to “showcasing my skills and character outside of the province.”

Our Girls U15 members, Emma and Evelyn, who have both been in the Bayhawks OPDL System since U13, are grateful for what the BSC program has given them. Emma, a member of the club since U8, recognized the club’s impact on her personal growth and development, “the club has provided me with great experiences and opportunities to grow into a better player and person.” Evelyn, who has been a Bayhawks since U13, mentioned that “BSC has done a great job of giving me the opportunities to excel.”

These Bayhawks will participate in the combine from April 4 – April 7, 2023. For more information on the combine, [click here](#).
