BSC RECREATION RULES 2024

2.11 FORFEIT OF POINTS:

Game points will be forfeited for any of the following reasons,

- i. Failure of a team to appear for a game.
- ii. If a team delays the start of a game by more than fifteen (15) minutes
- iii. If a team has less than minimum amount of players.
- iv. Playing of illegal player or players not registered.
- v. Failure to complete a game without the referee's permission.

It should be noted that if a team has a full complement of players, that team may play the game using their full complement [e.g. eleven (11) against eight (8)].

2.12 TIE-BREAKER PROCESS

In the event that teams are tied in points, the standings will be determined by the following, in order:

- i. Total points
- ii. Goal Differential (goals for minus goals against)
- iii. Goals For
- iv. Goals Against
- v. Results of head to head competition (does not apply if three (3) or more teams tied). ii. Team with the most wins.

2.13 CALL-UPS:

Over the course of a season situations arise that challenge Coaches to field a team with an adequate number of players. In many cases this causes the game to be unbalanced and, in some cases, teams to forfeit games because of not having the minimum number of required players. In an effort to avoid cancelling games or playing unbalanced games, the Club has adopted a Call-Up Procedure for House League divisions for U11 and up.

Regular Season

If you have under 13 players, we will allow call-ups up to a 13-player roster.

Specific players cannot be requested and coaches cannot contact call-up players.

All call-up requests **must** be sent to Ryan Key via email (rkey@burlingtonsoccer.com) seventy-two hours prior to the scheduled game. In the email, please include the first and last name(s) of the players who are unable to attend. Once players have been confirmed, the coach and referee will be emailed with the names of the players who have been approved to play. As the coach, it is your responsibility to write the names of the call-up players on the game sheet.

If you require multiple call-ups, we will do our best to find an equal number of replacements. If you find yourself short each week and require call-ups, the above rules still apply. Additionally, call-up players will be rotating teams and you will not receive the same player each week. **Play-**

Offs

No call ups will be allowed during play offs.

BSC RECREATION RULES 2024

Please note: Failure to obey the above rules will result in a forfeit.

RULES & REGULATIONS

- a) Players may be called up to establish a maximum roster of thirteen (13) players. Any team that cannot field seven (7) players from their original roster will forfeit the game.
- b) No team may exceed five (5) Call-Ups per game.
- c) A Call-Up player can participate in a maximum of three (3) games per team per season.
- d) No call up player may play more minutes than a regular team player (unless required due to injury or medical condition).
- e) Call-Ups may be used for Regular Season games only.
- f) Players with the same shirt colour of the requesting team are first priority.
- g) A suspended player may not be called-up during their suspension.
- h) Names of Call-Up players must be added to the game sheet prior to the start of the game. All players who are not in attendance must be crossed off the game sheet by the Coach.
- i) When reporting games, Call-Up players are to be noted on the game sheet.

2.14 OFFICIAL DOCUMENTS

All communications regarding Referees must be submitted using the official [Match Official \(Referee\) Conduct Review](#) document. Injuries must be submitted using an Official Form in order to have matters tended to by the Club. This includes General Feedback as well that will help improve the League or its operation. [Player Injury Report Form - 2018](#) These documents can be found on the Club website under Club info, Club Forms and Policies.

BSC RECREATION RULES 2024

Lightning Safety / Severe Weather Policy When thunder roars, go indoors!

The safety of players, coaches, management and spectators is the primary concern in any weather event that occurs during all matches sanctioned by the CSA.

By understanding and following the information below, the safety of everyone shall be greatly increased. Ultimately the referee has the final say over delaying or restarting a match due to weather. Waiting to stop play or not waiting to start play may result in a serious injury or loss of life. Referees are expected to act responsibly when dealing with such events during matches they are controlling.

If you can hear thunder, you can get hit by lightning. As soon as you hear thunder, quickly get to a safe location. More people are struck before and after a thunderstorm than during one. Stay inside for 30 minutes after the last rumble of thunder.

Additional Information

Please note the following recommendations from Environment Canada:

Casts and Equipment

Casts

Hard plaster casts are considered to pose a danger to both the wearer and other players and are not permitted to be worn. The practice of padding a hard plaster cast does not reduce the element of danger.

Players wearing a soft, lightweight, cast will be permitted to play if the cast does not present a danger to the individual or any other player. Such determination will be made by the Match Officials.

Any player who uses a cast to intimidate or injure an opponent shall be cautioned or sent off depending on the nature of the player's action.

Other Equipment

Orthopaedic Supports (ie. Knee Braces)

FIFA states that the vast majority of commercially manufactured supports are safe to use. Knee and arm protectors made of soft, lightweight padded material are not considered dangerous. The major concern is not the 'hardness' of the equipment alone, rather that any part of it can cut or wound another player. Any support must be safe for all players, and adequately padded and covered if necessary.

Prosthetics

A player wearing a prosthetic device should be allowed to play providing the basic principles of Law 4 are met.

Wearing Glasses

Eyeglasses are allowed if they are sports spectacles and are safe for the players themselves and for other players. Match Officials should show tolerance when authorizing their use, particularly for younger players. Materials such as metal or glass are not acceptable. In recreational and house league games Match Officials are expected to show common sense and allow spectacles as long as the basic principles of Law 4 are met.

Safety - jewellery

A player must not use equipment or wear anything that is dangerous.

BSC RECREATION RULES 2024

All items of jewellery (necklaces, rings, bracelets, earrings, leather bands, rubber bands, etc.) are forbidden and must be removed. Using tape to cover jewellery is not permitted.

The players must be inspected before the start of the match and substitutes before they enter the field of play. If a player is wearing or using unauthorised/dangerous equipment or jewellery the referee must order the player to:

- Remove the item
- Leave the field of play at the next stoppage if the player is unable or unwilling to comply
- A player who refuses to comply or wears the item again must be cautioned
