TWO AFFILIATIONS BRING OPPORTUNITY IN LEAGUE 1

NEWS PROVIDED BY

Burlington Soccer Club (BSC)

Burlington Soccer Club, Milton Magic FC, and Prostars FC develop one year affiliation with League 1 Programs.

Two is better than one, and that is the case with the new affiliation agreement with both Milton Magic FC and Prostars FC as both clubs will be affiliated with Burlington Soccer Club League 1 Programs for the 2025 season. What is an affiliation you ask? An affiliation from Pro-Am to Amateur allows both Milton Magic and Prostars players the opportunity to participate in League 1 with the Burlington Soccer Club.

This affiliation will help support the men's and women's programs at the BSC. In particular, both the U20 Men's and Women's U20 League 1 teams will be satisfied through this partnership. In addition to full teams, this partnership will allow the BSC to not only fill all six (6) of the League 1 levels of play, but also fill in gaps on present Bayhawk teams.

So, what does this mean for the Burlington Soccer Club? Amal Chauhan, Executive Director of the Burlington Soccer Club, advised us "affiliations increase financial stability in the overall League 1 Program with access to broader resources and community engagement. It also provides BSC players opportunities for player development and an expanded player pool, which will support shortages due to injury and early and late season games."

As a result of this partnership, the Burlington Soccer Club will field all teams in the League 1 Program for the first time and all U17 players and graduating Bayhawks will have the opportunity to play U20 and League 2.

The League 1 seasons are set to kick-off next Month, so make sure to grab your blue and yellow, your teammates and family members and cheer along at games all-season long.
